

The Socorro Chieftain.

VOL. 4.

SOCORRO, NEW MEXICO, MONDAY EVENING, APRIL 30, 1888.

NO 610.

TELEGRAPHIC.

QUEEN ARRIVES.

London, April 30.—The Queen has arrived at Windsor.

INCREASED FORCE.

San Diego, April 30.—The force of graders on the Cuyamaca railroad was doubled yesterday and will be doubled again next week, the company having determined to push the construction forward with great rapidity.

PENDLETON IMPROVING.

Berlin, April 30.—Mr. Pendleton, American minister, will remain at Weisbaden some time longer. His condition is improving and he leaves his bed daily.

Carl Schurz is staying with Henry Villard in this city.

A BIG DEAL.

Chicago, April 30.—John P. Grant, of England, a representative of the English syndicate which has agreed to buy the Bassick gold and silver mines in the Querido district of Colorado, for one million pounds arrived yesterday. He will meet Dennis Ryan, of St. Paul, to negotiate an extension of time for the capitalists.

THE POPE APPROVES.

Rome, April 30.—It is stated here that the action of the congregation of the Holy See regarding the plan of campaign in Ireland was taken spontaneously and without previous suggestion from England. The pope approves the action, without entering into political questions between England and Ireland.

JUDGMENT GIVEN.

New Orleans, April 30.—Judge Parden in the United States circuit court rendered a decree on the final hearing in the case of the American Bell Telephone company et al. vs. the National Improved Telephone company in equity. The court decided that the telephones used by defendants are infringements on the Bell patent and gives complainants judgment for all costs.

RIOTING RENewed.

Paris, April 30.—There was a renewal of the disorder at Nancy last night. Ten arrests were made but the crowd refused to disperse, and the hussars were ordered to charge with the gas d'armes, and clear the streets. Still the mob increased and the streets resounded with shouts of "Vive Boulanger." At 11 o'clock the mounted gen d'armes succeeded in breaking the crowd up into small groups and by midnight the town was quiet.

THE GOVERNORS MEET.

Philadelphia, April 30.—In response to the calls issued some time ago by Governor Beaver, the governors of the thirteen original states or their representatives, with the exception of Massachusetts, met in Carpenter's hall here to consider plans for the establishment of a fitting and lasting memorial to commemorate the first century of the constitution of the United States. Resolutions were passed calling upon the national government and various states and territories to make appropriations for a fund to erect a suitable monument commemorative of the framing and adoption of the constitution of the United States, to be erected in the city of Philadelphia, said monument to bear the names of the signers of the declaration of independence in their autographs, and of the framers of the constitution. It was also resolved to invite all the states and territories to cooperate with New York in celebrating the centennials of Washington's inauguration. Those present were Governors Beaver, of Pennsylvania; Sawyer, of New Hampshire; Davis, of Rhode Island; Boggs, of Delaware; Green, of New Jersey; and Jackson, of Maryland. Lieutenant-Governors Jones, of New York; and Howard, of Connecticut; Rev. Thos. A. Hoyt, D. D., of Georgia; Major Chas. S. Stringfellow, of Virginia; Julius N. Cary, of North Carolina; and Ex-Secretary of States J. N. Lipscomb, of South Carolina.

PANAMA LOTTERY.

Paris, April 30.—The Panama Lottery loan bill has passed the chamber of deputies.

A MAYOR DIES.

Portland, Or., April 30.—John Gates, mayor of the city, died from nervous prostration, aged 60 years.

HANGED.

Jacksonville, Fla., April 30.—Alexander Jones, colored, was hanged at Tallahassee for the murder of Hen Cuthbert, colored, in November, 1887. The execution was private.

AN ASSIGNMENT.

Galveston, April 30.—A San Antonio special to the News says: Adams Lee and Brewing company made an assignment Saturday. The property of the company is valued at about \$75,000.

SPRINGER AGAIN.

Springfield, Ill., April 30.—At the Democratic primaries in this county nearly every precinct instructed delegates to the county convention for Hon. Wm. M. Springer for Congress. This definitely settles his renomination, as three counties had previously instructed for him. He will be renominated by acclamation.

PRIZE FIGHT.

Milwaukee, April 30.—Between six hundred and eight hundred sports from this city, Chicago and elsewhere, went to Thiensville, fifteen miles out, to witness a fight to a finish between Pat McCartin and John Ward. These men fought to a finish two years ago. Ward, who was then acknowledged the heavy weight champion of Wisconsin, being knocked out in 27 rounds. This affair ended in a great row. The inability to obtain a referee mutually satisfactory resulted in the choosing of two men as umpires instead of a referee, Billy Sisson, acting for McCartin and Jack Bolan for Ward. Five savage rounds were fought, McCartin having the best of it all the way through, when they clinched and Sisson tried to separate them, Ward struck him a terrible blow. Sisson thereupon jumped on Ward's back and was pummeling him when the seconds interfered. While this three cornered fight was going on the seconds got to fighting among themselves. Finally Sisson was thrown over the ropes and the fight resumed. In the fifth round Bolan gave the fight to Ward on a foul, amidst a great uproar. He jumped into a buggy and escaped the angry spectators.

STATEMENT

Showing the financial condition of Socorro county, N. M., on the first day of February, 1888:
